

Microsoft Bluetooth Notebook Mouse 5000

Microsoft's most portable wireless notebook mouse connects directly to a Bluetooth® PC without a transceiver, freeing up USB ports for other devices.

- **Transceiver Free Convenience**

Enjoy reliable, transceiver-free wireless connection to your Bluetooth® PC (requires computer enabled with Bluetooth® Technology).

- **High Definition Laser Technology**

Microsoft High Definition Laser Mouse products are more precise, more responsive, and deliver smoother tracking.

- **Battery Life Indicator**

You won't get caught with a dead battery—the Battery Status LED Indicator glows red when the battery is running low.

- **Ergonomic Design**

Point and click in comfort—ergonomic design helps you work longer without discomfort.

- **Back Button**

Use the Back button to easily navigate between folders and Web pages, or press the wheel for auto-scroll.

- **Scroll Wheel**

Save time and effort with the scroll wheel—navigate documents and Web pages without using the on-screen scroll bar.

- **3+ Months Battery Life**

Work with less interruption with longer battery life.

- **On/Off Button**

Turn your 3-in-1 device off to extend battery life even longer.

- **4-Button Mouse**

Use the Back button to easily navigate between folders and Web pages, or press the wheel for auto-scroll.

- **Designed for Notebook PCs**

Compact and comfortable, our handy notebook and laptop products are designed for convenience and mobility.
