

Logitech® **MX Air™** **Rechargeable Cordless Air Mouse**

High-performance cordless laser mouse to command your PC on the desk or in the air

- Use MX Air on the desk with a cursor or in the air with a gesture
- Freespace™ technology transforms motions into cursor control
- Laser-precise tracking and ultra-smooth scrolling
- 2.4 GHz cordless connection with a 10-m (30-ft) range
- Rechargeable Li-ion battery
- USB connection for Windows® XP or Windows Vista™
- Documentation in English
- 3-year guarantee
- Full product support

MX Air™ lets you command your PC however you choose. On the desk or in the air. Up close or across the room. With a cursor or a gesture. With it, you'll experience the future of PC control. On the desk, MX Air is a high-performance cordless mouse with laser-precise tracking and ultra-smooth scrolling. Pick it up, and it transforms your motions into natural and responsive cursor control, so you can lean back and play music, watch videos or browse photos. MX Air also features backlit controls and a convenient rechargeable Li-ion battery. Designed for Windows XP and Windows Vista.
